Experience

Summer Program Organizer and Coordinator, CFAP Youth Council, 2021 Summer - Present

- I have worked with PCC Biology Professor Andrew Chang to create the credited Independent Study Course BI 198 to bring health related studies to high schoolers.
- I invited a number of medical professors from Universities (like OHSU) and doctors to lead health science PBL (Problem Based Learning) cases.
- Here is the PBL cases we studied so far - https://docs.google.com/document/d/1bDeiCWZ8fmHDr5Mj_nc-EGM2Y41SSIB3fakBzmEQ6c.
- I also handled the enrollment and managed the entire class. Here is the enrollment page <https://docs.google.com/forms/d/1U3wjKD3yy52nW9rHcGsMkbub9vEqyzQzw4Q5uL9jzzE>

Youth Council Leader, Chinese Friendship Association (CFAP) Youth Council, Summer 2020 - Present

- Worked with Asian-American Pacific Islander (AAPI) Vote to make phone calls reminding people to vote in the crucial 2020 election.
- Taught elementary school kids and volunteered for COVID-19 work during the pandemic.
- Helped write and was awarded grants from Oregon State (\$110,000) and the City of Lake Oswego (\$5000) for CFAP Youth Programs.
- With the City of Lake Oswego grant, we are currently planning a large Asian American celebration in September at Millelimum Plaza Park in Lake Oswego.

Software Developer, FTC Robotics Team (Fellowship of the Robot), Sept. 2018 - Mar. 2020

- Programming Robot Control for the team
- Top 10 teams in Oregon (out of 209 teams)
- Qualified for 2019 World Tournament Championship in Houston.

Destination Imagination Team, Sept. 2015 - May 2016

- Designed and implemented a robotic squirrel using Lego hardware
- Won the State Championship
- Represented Oregon in the World Tournament at the University of Tennessee. Ranked 19th worldwide.
